"VENICE" ... MARRIES ELEGANT DESIGN AND BUILT-IN COMFORT**

Norfolk, VA - Venice, New River's newest collection, offers an elegant yet contemporary design and tremendous functionality with built-in comfort. Hand-crafted so that the contoured seat and back conform to the body, the Venice collection is made from 100% Brazilian Cherry.

The new collection will include a 4-foot Bench, a Side Chair, an Arm Chair, a High-Dining Stool with arms, a High-Dining Swivel Stool as well as a 52-inch square Gathering Table. All pieces are finished and polished by hand, with mortise and tenon construction for perfect joinery.

Michael Mettendorf, New River's Vice-President of Sales & Marketing states, "Our new Venice collection is distinctive due to its fashion-forward design that would be at home in any contemporary or traditional environment. The casual luxury is evident throughout the collection from the top-quality construction to the body-conforming comfort."
